Based on a true story...

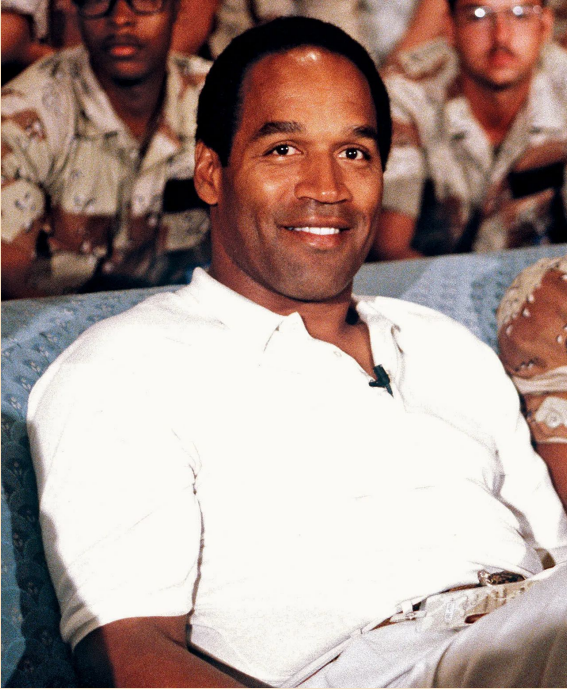

The Story of Orenthal James (O.J.) Simpson

Also known as the Trial of the Century

Background

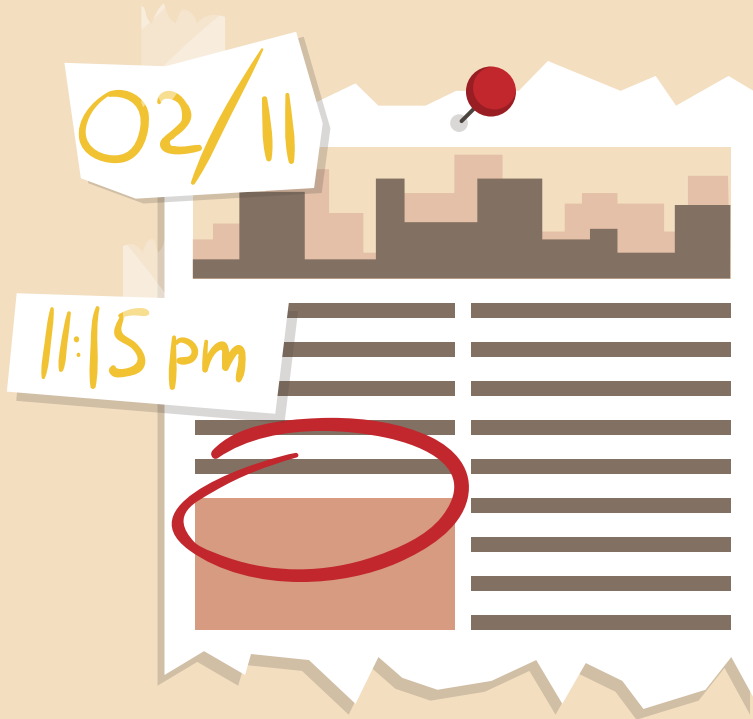

O.J. Simpson was a former National Football League player and actor who was accused of murdering his ex-wife Nicole Brown Simpson and her friend Ron Goldman.

Due to its high profile nature, it was generally regarded as the “most publicised” criminal trial in history as it also had extensive media coverage over the 8 months which the entire trial lasted.

The prosecution’s case consisted of DNA evidence, witness testimonies and behavioural arguments, while the defence countered with mishandling of evidence, as well as institutionalised racism in the LAPD. In the end, a not guilty verdict was concluded.
